

Marilyn Schroeder Health Care Professional Scholarship

Due: Friday, April 12th, 2024 by 4:00 p.m. to the High School Office

Who: Health Care Professionals

Amount: \$500

Criteria: Recipient needs to be involved with direct patient care. Example: Nursing, Physical Therapy, MD, anesthesiologist. Technician roles in care such as sonographer, x-ray tech, etc. will not be accepted.

1. Share examples of your experiences and responsibilities in the community as well as inside and outside of school.
2. Tell us about yourself through sharing an obstacle or difficulty in your life and what you believe to be one of your greatest accomplishments.
3. Please share what ideals, characteristics, or events led you to pursue a career as a healthcare professional.
4. Health care is a noble profession, please tell us about your educational and professional aspirations in this field.
5. Marilyn Schroeder valued people and work ethic. Please describe a time where your work ethic was evident and led to success OR an event where you put another individual's interest before your own.
